Barry Robinson

As I write this foreword, it is wonderful to see travel has well and truly returned and more international markets are opening. Our teams are enjoying helping you with your travel plans with plenty of trips being booked for holidays in Fiji, New Zealand, Thailand, Europe and further afield in North America.

One of the many advantages of being an owner in Club Wyndham South Pacific is the opportunities it provides to take family and friends on holiday with you. Your club resorts give you room to spread out but more importantly, space to connect. Over the past two years we have worked to enhance these spaces even more, by adding a host of free activities and better dining experiences. On page 24, we list out some of the many resort activities now available to you.

Your club destinations offer a range of exciting attractions but, sometimes, the best holiday memories are of the little things, like taking a bike ride with the family, building sand castles, sharing fish and chips by the beach or enjoying an ice cream. On page 5, we have rounded up some simple, yet meaningful family-friendly activities that you can experience close to your resorts.

We have continued to expand the club by adding new apartments and villas. On page 22, learn more about the new inventory added and the refurbishments happening at your resorts. As we grow, we are always looking for ways to introduce sustainable innovation. On page 27, you can read about the many ways we have been proudly making changes for the better across your club resort collection from bamboo key swipes to pump bathroom amenities and much more.

We know many of you love to stay connected with your club via the 'owners only' Facebook group. Did you know your club also now has its very own Instagram page? Just search for Club Wyndham South Pacific to follow us on Instagram. You can share your holiday snaps by posting to the Facebook page or using the hashtag #WynHolidays to be featured.

As always, your club magazine is a bumper issue, jam packed with news. Enjoy the read and until next time, happy holidays!

Living THE list

If the last two years have taught us anything, it is a deeper understanding of what is most important. During lockdowns, we learned we could survive skipping trips to the hairdresser. Many of us chose to simply embrace the grey. We found we could endure constant shortages of loo paper and empty supermarket shelves. We got savvy and we adapted.

The hardest aspect of the last two years, was being kept apart from those we love. No matter how many Facetime calls we set up, it was never as good as connecting in real life. Many of us have missed important moments and milestones. In some cases, years of precious time have been lost.

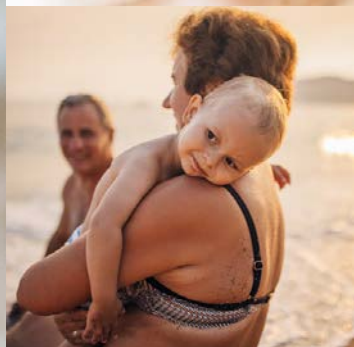

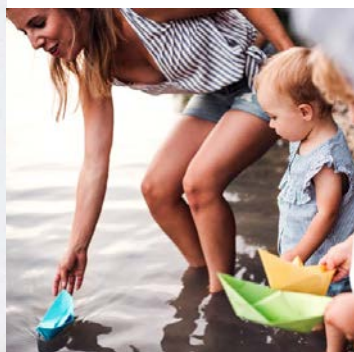

While we still want to tick off our bucket lists, and get to those far flung places, most of us now have another list, one filled with far simpler things and yet profoundly important. That list is all about spending quality time with family, loved ones and creating ways of connecting.

The moments we crave most are those which create indelible memories in our minds. Often, they are little things, like getting an ice cream with the grandkids after a day at the beach, or taking in the cool crisp air from the lookout of the mountain you love to climb. Sharing these kinds of moments with those who are special to us is no longer something we take for granted.

No matter how big or small the activity might be, if its time spent together, it is time well spent. Your club resorts offer many ways to connect. Beyond swimming in the resort pool, playing a hit of tennis and immersing in all the fun free activities on offer, we've rounded up some of the highlights close to your resorts to help you 'live the list.'

what's on your list?

- ✓ Exploring tidal rockpools with the kids
- ✓ Going fishing
- ✓ Stopping for an ice cream after a fun-filled day
- ✓ Riding bikes together
- ✓ Hearing their giggles as they play in the pool
- ✓ Chasing waterfalls
- ✓ Sharing fish and chips on the beach
- ✓ A picnic in the park
- ✓ Celebrating together

The hardest aspect of the last two years was being kept apart from those we love.

the best

picnic areas

Kirra Hill Lookout

Stay: Club Wyndham Kirra Beach

A stone's throw from Club Wyndham Kirra Beach is one of the Gold Coast's most scenic spots to enjoy a barbecue or picnic. Kirra Hill offers a wonderful outlook, which on clear days extends all the way north to Main Beach and south to Snapper Rocks. This is one of the best spots for catching the sunrise and sunset on the Gold Coast. With two electric barbecues and tables under a shelter, it's also a great spot for whale watching during their annual migration, between June to October.

« Cascade Gardens, Hobart

Stay: Club Wyndham Seven Mile Beach

A short 10-minute drive out of Hobart's CBD is Cascade Gardens, which is located just one minute away from the world-famous Cascade Brewery. This historical site offers plenty to see and do and features tree-lined gardens, picnic tables, walking tracks, facilities and barbecue amenities. Grab your picnic blankets and some nibbles and soak up the serenity.

Kings Park, Perth

Stay: Club Wyndham Perth

Club Wyndham Perth offers free picnic baskets and rugs so you can set up at nearby Kings Park! A beautiful setting for a day spent in the sunshine, Kings Park and Botanic Garden offers many locations ideal for rolling out a rug in the parklands. All visitors are welcome to use the free, electric barbecues.

Torquay Foreshore

Stay: Club Wyndham Torquay

Right opposite your club resort in Torquay, the foreshore offers plenty of parkland, playgrounds and picnic tables with gorgeous ocean views. Indulge in fish and chips on the beach or bring your own supplies for a barbecue while the kids explore the playgrounds. Anywhere from Fisherman's Beach on Zeally Bay (or Fisho's, as known by the locals) round to the front beach is ideal for relaxing outdoors with loved ones.

best places for

ice cream

One scoop, two scoops, cone or a cup, there's nothing quite like stopping for an ice cream after a relaxing day spent on holiday! Whether you crave creamy gelato, a double scoop sundae or a simple ice cream cone, your club resort destinations offer the sweetest choice of ice creameries on the planet!

Simmos Ice Creamery, Dunsborough

Stay: Club Wyndham Dunsborough

Established in 1993, Simmos was the first ever ice creamery in Western Australia's South West, and has firmly become a beloved institution. Simmos at Dunsborough offers a traditional Irish ice-cream and has temptations for the most discerning aficionados with over 60 award winning flavours. There is also a playground and an all-weather 18 hole mini-golf course on site!

Gelato Rumba, Caloundra

Stay: Club Wyndham Golden Beach

Gelato Rumba is the perfect place to pop in for a sweet treat during your Golden Beach stay. Ride the free resort bikes along the esplanade to Caloundra and reward yourself at end of the ride with gelato! With fresh gelato made on site, Gelato Rumba caters to everyone and always has a variety of dairy free sorbets that taste so creamy you won't believe they are dairy free! They also have nut, egg and gluten free options.

These lists are all about spending quality time with family, loved ones and creating ways of connecting.

Van Diemen's Land Creamery, Hobart

Stay: Club Wyndham Seven Mile Beach

Van Diemen's Land Creamery was created by a Tasmanian dairy farming family, using fresh milk from their farm. Today, this waterfront ice-creamery at Constitution Dock in Hobart offers all the classic favourites plus some creative and uniquely Tasmanian flavours like Whiskey, Tasmanian Peanut Butter, Lavender, plus Pepperberry and Leatherwood Honey.

Pidapipó, Melbourne

Stay: Club Wyndham Melbourne

If you take your gelato seriously, and you like the idea of flowing Nutella fountains, head to Pidapipó. The owner has attended a gelato university (yes, it is really a thing). Having also worked at an array of Italia's finest gelatarias, her passion and expertise can be tasted with every mouthful. There are three locations in Melbourne, on Lygon Street, Chapel Street and another, just one block from Club Wyndham Melbourne on Degraeves St, in the CBD.

the best

fish & chips

One of life's simplest pleasures is throwing down a picnic blanket in a park to unwrap a piping hot serve of fresh cooked fish and chips. Just taking in the delicious aromas has the power to transport us back to halcyon days, of idyllic family holidays spent at the beach. Your South Pacific club resorts are positioned near some of the finest fish and chipperies on the planet. Here's just a few of our favourites.

Life doesn't need to be full of big moments, just real ones.

Fish Mongers, Manly

Stay: Club Wyndham Sydney

Why not make a day of your fish and chip adventure? From Club Wyndham Sydney head to Circular Quay, catch the ferry to Manly to Fish Mongers for some of the finest fish and chips going. Enjoy a stroll along Manly Beach, then catch the ferry back to the city to your base at Club Wyndham Sydney.

« Charis Seafoods, Labrador

**Stay: Club Wyndham Surfers Paradise
Club Wyndham Crown Towers**

A favourite among the locals on the Gold Coast, at Charis you can pick up some fish and chips, crumbed calamari, or a bag of freshly caught prawns from the huge array of fresh seafood on offer. Throw down a blanket or grab a table and sit down to eat in the park adjacent. It is a favourite with the seagulls too, so guard your chips. If you are holidaying with kids, try to time your trip to see the Pelican feeding, which happens every day at 1.30pm. Take swimmers and floaties for the gentle ocean pool out front. There is also a wonderful playground in the park.

Aussie Bob's, » Shoal Bay

**Stay: Club Wyndham
Shoal Bay**

A classic 'old school' fish and chip shop, Aussie Bob's may not have a fancy shopfront, but it has earned a reputation for serving up some of the best fish and chips in town. The chefs have over 50 years of experience between them, and they like to spice up their menu with weekly and holiday specials, such as fresh prawns and oysters. A one-minute walk from Club Wyndham Shoal Bay, be sure to grab yourself the perfect parcel of tasty treats to enjoy on the pretty Shoal Bay foreshore.

Sandbar, Caloundra »

Stay: Club Wyndham Golden Beach

Sandbar is the perfect place to get your fish and chips fix when holidaying at Golden Beach. Be sure to try out the fisherman's basket for one, which comes complete with chips, a whiting bite, fish croquettes, and cod. Dine in, overlooking Bulcock Beach, where a great list of wines, beers and cocktails make the perfect accompaniment to your meal with a view. Or, take away and enjoy a picnic in the parklands opposite, or on the beach itself.

the best

outlooks

Whether you've earned it with a daylong hike, or simply pulled up in the car, there's nothing like a lofty outlook to lift your spirits. Your club resorts are positioned close to some of the best views in the world. Here we've listed a diverse range of rewarding scenic grandeur, that will shift your perspective, inspire and excite you.

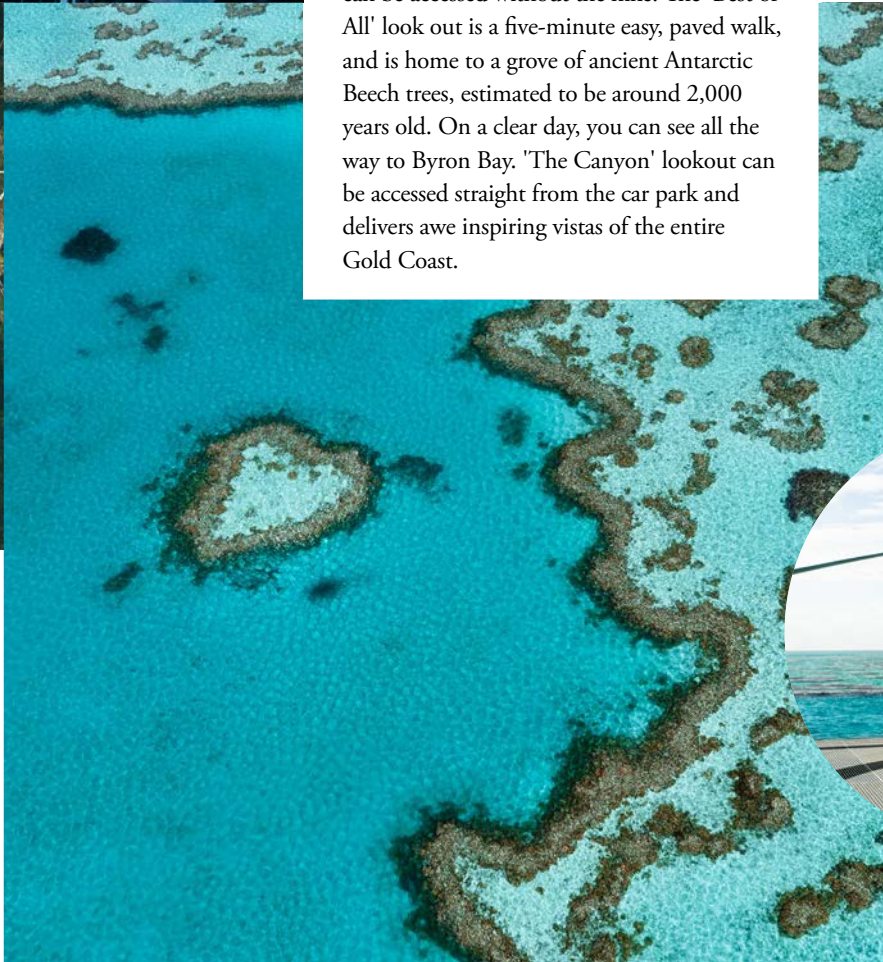

Springbrook National Park, Gold Coast Hinterland »

**Stay: Club Wyndham Kirra Beach
Club Wyndham Surfers Paradise**

Cool ancient rainforest and spectacular waterfalls await at World Heritage-listed Springbrook National Park, which is under one hour's drive from your club resorts on the Gold Coast. The Purlingbrook Falls circuit walk takes you down into a lush rainforest gorge and suspension bridge to view the falls from below. Allow two hours to complete this walk, as there are 265 steps.

Two other spectacular Springbrook lookouts can be accessed without the hike. The 'Best of All' look out is a five-minute easy, paved walk, and is home to a grove of ancient Antarctic Beech trees, estimated to be around 2,000 years old. On a clear day, you can see all the way to Byron Bay. 'The Canyon' lookout can be accessed straight from the car park and delivers awe inspiring vistas of the entire Gold Coast.

« Heart Reef, Whitsundays

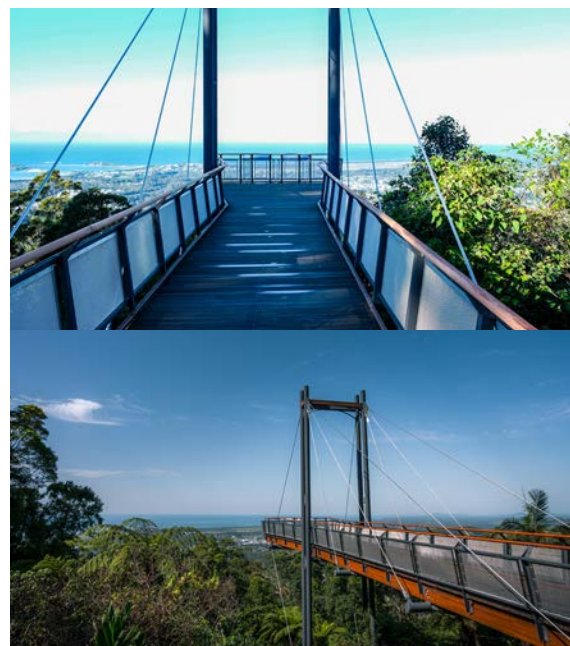

**Stay: Club Wyndham Airlie Beach
Whitsundays**

You will need to take to the skies for this view. Heart Reef, in the Great Barrier Reef, Whitsundays, is a stunning formation of coral that has naturally formed into the shape of a heart. Many tour companies offer a scenic flight over Heart Reef along with other gorgeous highlights of the Whitsundays, including Whitehaven Beach and Hill Inlet. The skies above Heart Reef have set the scene for many proposals of love over the years. If you plan on making a sweeping romantic gesture, be sure to let your pilot know your plans.

» Forest Sky Pier, Coffs Coast Hinterland

Stay: Club Wyndham Coffs Harbour

A 20-minute drive from your Coffs Harbour club resorts will take you to the spectacular Forest Sky Pier! Suspended 310 metres above Coffs Harbour, it projects above the rainforest and offers expansive views encompassing Coffs Harbour and the marina, Solitary Islands Marine Park, surrounding mountain ranges and the coastline far away. On a clear day you can see 100 kilometres to the south. Adjacent to the Forest Sky Pier, a fully-accessible picnic shelter is the ideal spot to enjoy lunch or a cuppa with a view.

*There's nothing like
a lofty outlook to lift
your spirits and
shift your perspective*

Roy's Peak, Wanaka

Stay: Club Wyndham Wanaka

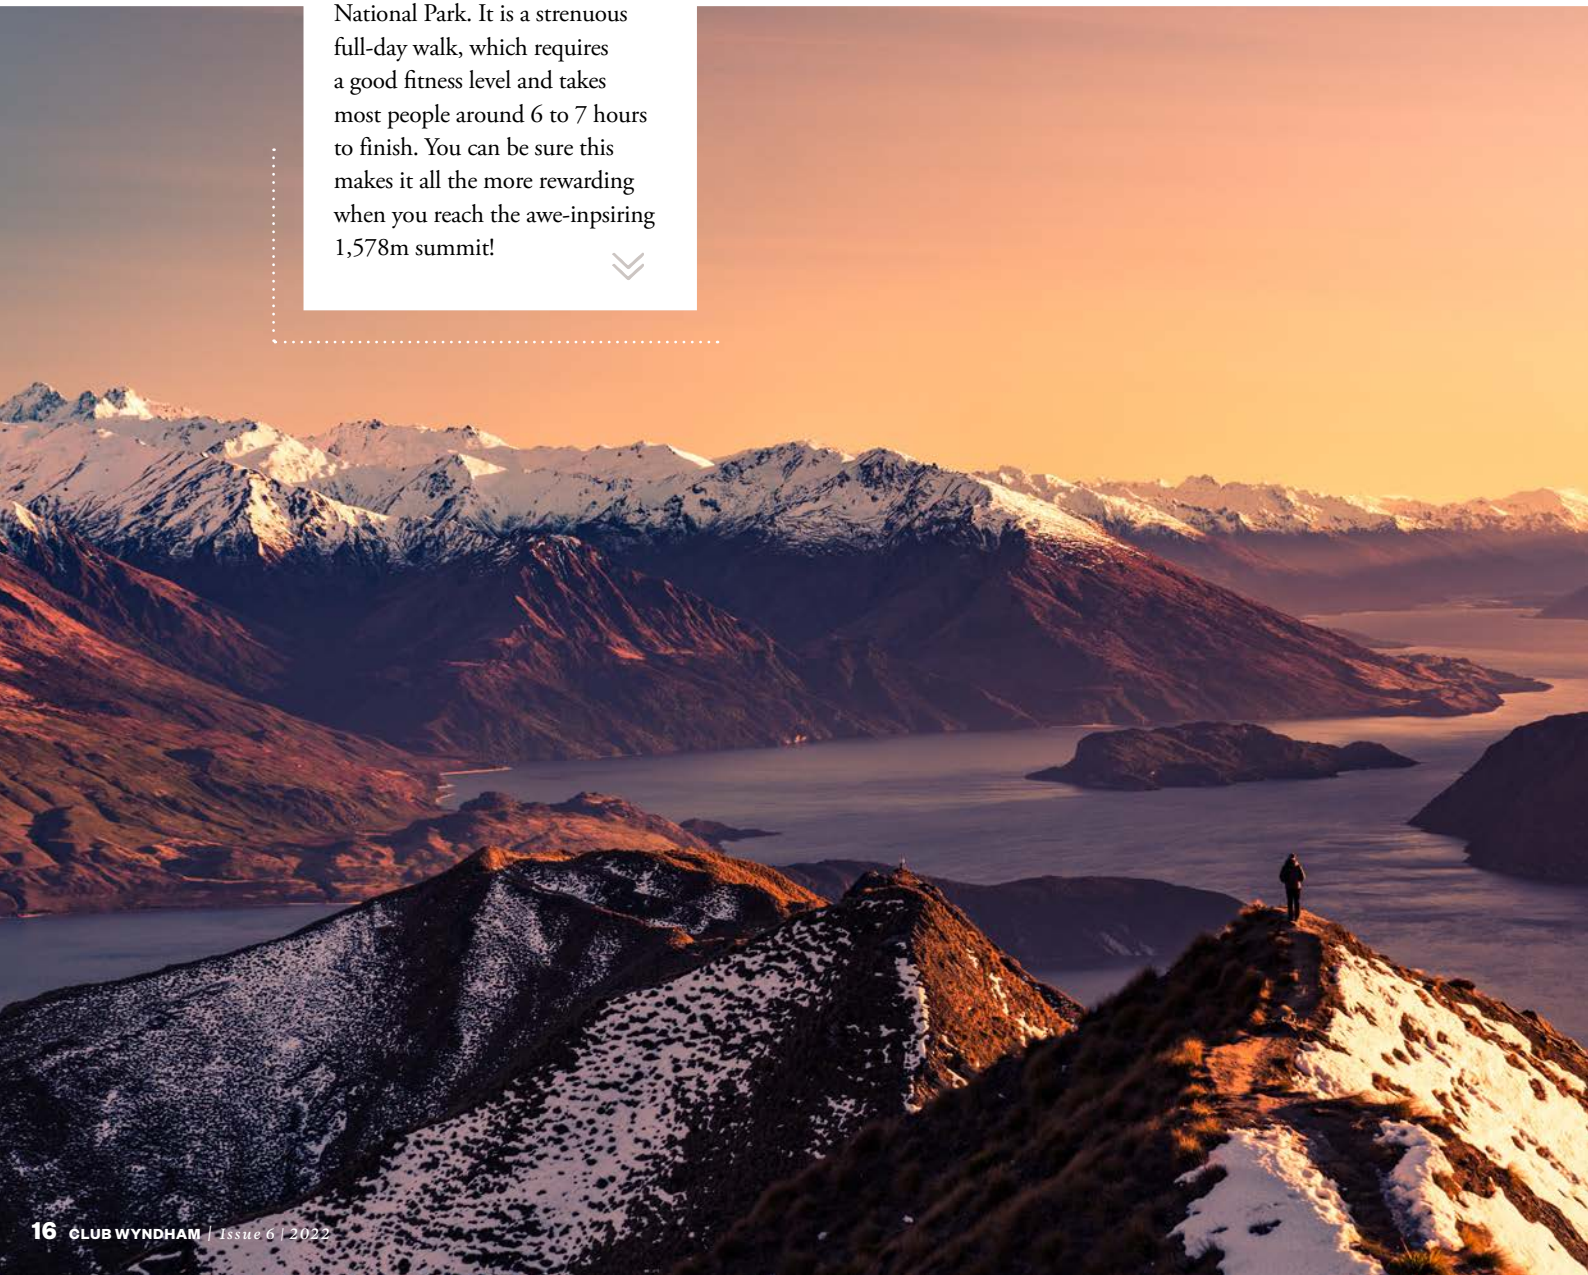

Roy's Peak in Wānaka is without a doubt one of New Zealand's best outlooks, affording incredible views over beautiful, blue Lake Wānaka and the snowy, white mountain caps of Aspiring National Park. It is a strenuous full-day walk, which requires a good fitness level and takes most people around 6 to 7 hours to finish. You can be sure this makes it all the more rewarding when you reach the awe-inspiring 1,578m summit!

Flagstaff Hill, Port Douglas

Stay: Club Wyndham Port Douglas

When in Port Douglas, an unmissable outlook is Flagstaff Hill. It is located at the top of Island Point Road and serves up spectacular 360-degree views of the Coral Sea and Low Isles, all the way to Snapper Island and the Daintree Rainforest. The lookout is a short drive from the main shopping strip of Port Douglas, Macrossan Street, and has ample parking, making it highly accessible.

the best

family fun experiences

If you are gathered with loved ones and want to make some unforgettable lifelong memories, your club destinations feature wonderful attractions that all the family will enjoy. From theme parks to snow parks and animal encounters, we've rounded up some of the region's most memorable and fun family experiences.

Movie World, Sea World and more! Can't choose? Get a multi park pass! From cute and cuddly animal encounters to spine tingling thrill rides, there really is something for everyone. Little children will love Sea World's interactive touch tanks and The Wiggles at Dreamworld, while there are plenty of small gentle rides at both these parks to keep your tiny tot happy.

Go on a Snow Holiday with the Family!

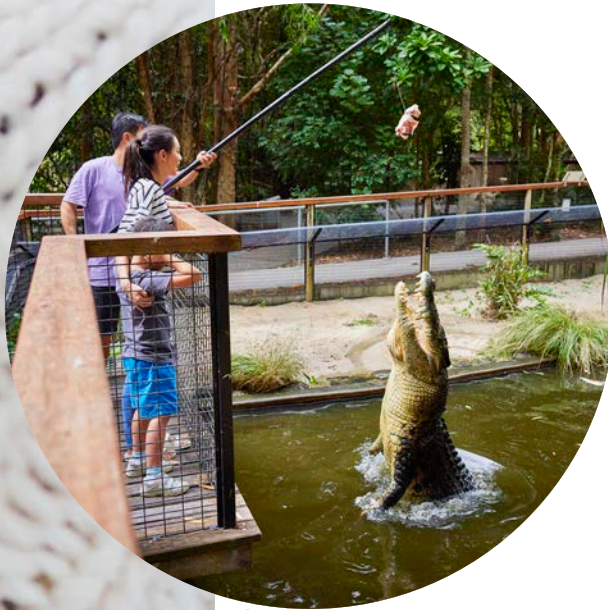

**Stay: Club Wyndham Resort Dinner Plain, Mt Hotham, Australia
Club Wyndham Wanaka, New Zealand**

With more snow than Switzerland, Australia offers wonderful skiing terrain, but uniquely, you can ski among the snow gum trees, while spotting kangaroos and wombats! Mt Hotham offers terrain as challenging as the US or Europe, but caters just as equally for children and absolute beginners. Whether it is your first-time seeing snow or you are seasoned on the slopes, you can be sure taking a snow trip with loved ones will stay in the memory banks for a lifetime.

The mountains in Wānaka, New Zealand, are home to four ski resorts, each with incredibly diverse terrain. Cardrona Alpine Resort and Treble Cone Ski Area are easily accessed (carrying chains is required) and you will find ski and snowboard runs for the whole family. Snow Farm is New Zealand's only cross-country facility with dogsledding, snowshoeing, tubing and more. You may need to arrange transport to this area in heavy snow. Finally, Soho Basin by Amisfield delivers a once-in-a-lifetime catskiing experience with a luxurious paired-wine lunch.

Holidays are an opportunity to bask in the little things that we missed in the past two years

Hartley's Crocodile Adventures, Port Douglas

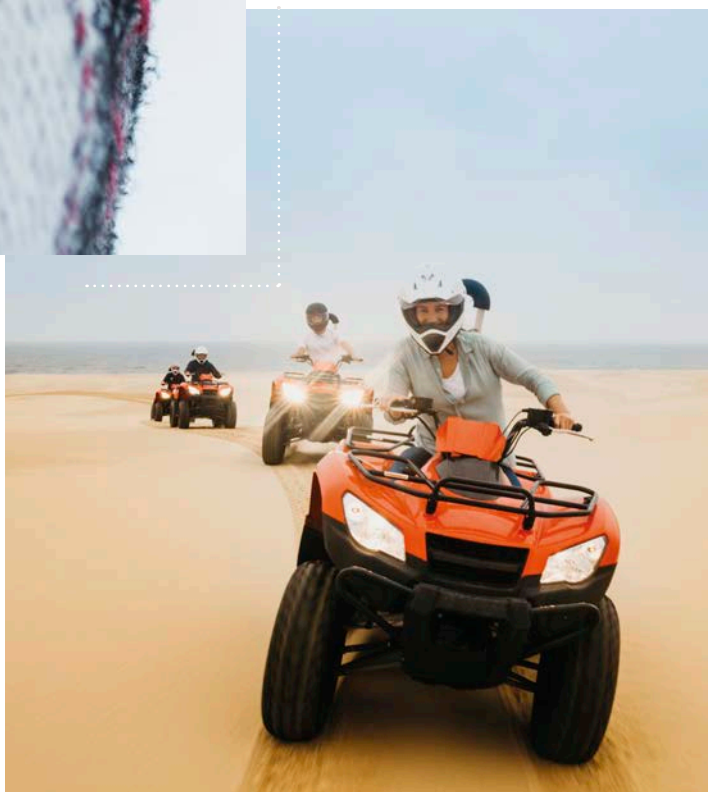

**Stay: Club Wyndham Port Douglas
Club Wyndham Cairns**

For an unforgettable day spent immersed in Australia's unique animal kingdom, Hartley's Crocodile Adventures will stay in the memory banks for a lifetime. Located just 25 minutes south of Port Douglas and 40 minutes from Cairns, in this unique park you can take a boat ride down Hartley's Lagoon to see giant saltwater crocs leap high out of the water to gulp down meat fed from a pole. You can also meet other local wildlife, such as lizards, cassowaries, snakes and different kinds of amphibians! Hartley's is accredited by Ecotourism Australia and the Zoological Association of Australasia. To take your experience to the next level, book in for a premium animal encounter.

Take a Quadbike Tour of the Stockton Sand Dunes

Stay: Club Wyndham Port Stephens | Club Wyndham Shoal Bay

When holidaying at Port Stephens or Shoal Bay take the family on the ultimate adventure of a quad bike tour of Stockton Sand Dunes and learn about the region's rich indigenous heritage. Sand Dune Adventures offers visitors an immersive 'Cultural Quad Bike Riding' experience like no other. the area so it can be utilised during the winter months.

The deck can be used by diners at Beaches Restaurant & Bar and can seat up to 50 people during Live Music on Sundays, where local talent creates a chilled-out environment for owners and guests.

GENERAL MANAGER SPOTLIGHT

I'm Philip Blain, the General Manager of Club Wyndham Ballarat.

I joined the resort in October last year, and have enjoyed meeting and accommodating fellow club owners. A Club Wyndham South Pacific owner myself, managing the unique and historic Club Wyndham Ballarat is proving to be very rewarding.

The resort is a heritage-listed mansion, built in 1878 and seamlessly integrates an old-world design with modern amenities to ensure you enjoy a wonderful holiday experience.

Our team has continuously improved and maintained the onsite facilities, such as the tennis courts, indoor heated pool and spa, and games room. The chapel is now open again, so I recommend you visit and immerse in its rich history. The chapel was built in 1913 and features beautiful stained-glass windows and stonework.

There is a wide array of free activities to enjoy at the resort. We have a gold sluice for onsite gold panning. Mountain bikes, e-bikes, canoes, pedal boats, standup paddleboards, and fishing rods are also available for free use.

If you would like to explore the local region, I grew up in Victoria's Western Districts and know the region very well, so please don't hesitate to ask me for recommendations.

Within the town of Ballarat are many historical sightseeing opportunities. Visit **Sovereign Hill**, where you can experience the excitement of Australia's great 1850s gold rush. Walk through history at **The Art Gallery of Ballarat**, Australia's oldest regional gallery with a remarkably comprehensive collection of works from colonial to contemporary periods.

If you want to have quality time with the family, I recommend **Lake Wendouree**, a perfect place for picnics and strolls. For nature and animal lovers, check out **Ballarat Wildlife Park**, where you can get up close and personal with native Australian wildlife and other unique species.

I am proud of our amazing team for making the resort a comfortable and memorable place for your holiday.

We cannot wait to welcome you again. I hope to see you soon!

Log in to **Club Wyndham TV** via your owner website or lifestylebywyndham.com to watch **Resort Manager Spotlights** on each of your Club resorts!

INTRODUCING

Your New Eco-Friendly Range of Bathroom Amenities

We know you will love your new range of club resort bathroom products, which are as good for the planet as they are for your skin! Instead of offering small, single-use plastic bathroom amenities, resorts across Australia and New Zealand are switching to using 'full-sized' bottles that are fitted with tamperproof pump dispensers, and will be fixed to the wall.

This means that the small amenities are not simply thrown away after being partially used, resulting in less wastage of the amenity itself and the plastic that would have been used to hold it.

Prija products have been selected for standard and deluxe apartments. Made from the highest quality natural ingredients, they are renowned for their warm, intoxicating fragrances. The formulas are free of any animal products, GMOs, Petrolatum, BHT and Phenoxyethanol and the packaging is made from 100% recycled PET and 100% recycled paper.

The Appelles range that will feature in Grand and Presidential apartments combines native botanical extracts, pure essential oils and vitamins. All packaging is environmentally friendly and recyclable. Formulations are all paraben free and not tested on animals. This luxury range leaves the skin feeling invigorated and fresh with a subtle and beautiful lingering fragrance.

We have already had many owners express how much they are loving the Prija and Appelles products. Upon check-out, although the in-room bottles will stay in the apartment, new products can now be purchased at resort reception or at LifestylebyWyndham.com

Club Wyndham South Pacific's inventory in Japan is structured in a different way. Club Wyndham South Pacific owns points in the Sundance Resort Club. Through the club's ownership of points within Sundance Resort Club, owners can access all Sundance's 16 resorts and apartments in Japan. These resorts are also utilised by Club Wyndham Asia members and, of course, Sundance Resort Club owners.

The arrangement enables Club Wyndham South Pacific owners to utilise a broader range of room types (subject to availability) for a lower financial commitment to the club than if the inventory was purchased directly. Bookings at some resorts need to be made through Owner Services.

This inventory is displayed separately as Japanese apartments do not traditionally conform to one, two or three-bedroom formats, but are large rooms with multiple beds. Some apartments offer raised Western-style bedding, while others offer futon-style bedding that is customary in Japan.

GIVING SICK CHILDREN A PSYCHOLOGICAL BOOST

This year Wishes by Wyndham has partnered with Supertee.

For the second and third quarter of this year Wishes by Wyndham is partnering with Supertee. It is amazing charity to support as many people don't realise the impact a Supertee has on the children that wear them. A Supertee is a medical garment specially designed to replace hospital gowns and give kids a psychological boost.

Keep an eye out for the upcoming Wishes by Wyndham raffle and Donation Day as all proceeds will be provided to Supertee.

MAKING AUSTRALIA A SAFER PLACE FOR CHILDREN

In the back half of 2022 and start of 2023, Wishes by Wyndham will be partnering with the Daniel Morcombe Foundation (DMF).

This charity educates children and young people about how to stay safe in physical and online environments and support young victims of crime.

With your donation, DMF can educate children, schools, and families to recognise signs of harm, react safely, and report to adults who can help stop the abuse.
